Centre Managers report

In conjunction with Kelly Foundation we had a children's Halloween trail. In the hall there was pumpkin carving, arts and crafts, toffee apple making and face painting. Sadly the weather was not on our side so we couldn't put the trail outside, especially as the children were all wearing fancy dress costumes. We had 121 children take part in the trail.

Community police are going to be holding surgery's at Pinetrees Community Centre and John Moulton Hall.

Intuitive thinking skills and CGLheld a Well being event at Pinetrees community Centre. Which was successful.

New college have started running courses at John Moulton Hall.
