EP767	Benches – Penhill Memorial Bench Update. A meeting was held previously with the Community, SBC, and Police it was agreed that a bench would be placed next to the existing shrine. Cllr Patey stated that he thought local councillors wanted it placed around the corner. Cllr Exell stated that that was how Cllr Beale had voted but she is now willing for it to go there and what she has pressed for is that it is now progressed as soon as possible and that it does not hang round for another 6 months. He stated that a former Cllr had already committed his ward allowance to it which has been EMR'D so the proposal is to progress it as soon as possible. The bench will be sited with the condition of removing the shrine. The item will be kept on upcoming Agenda's to keep it moving forward.
