

Play Area Report – Remedials

1. Mannington
 1. Play Bark levels low (I believe this is being done by you)
 2. We have noted some of the wet pout surfacing has eroded and needs to be addressed. (Waiting on quote)
2. Harcourt Rd
 1. Gate – in progress (Waiting on quote)
 2. Carpet (exposed concrete) (Waiting on quote)
 3. Replacement bushes (Waiting on quote)
 4. Seesaw (Waiting on quote)
3. St Marks
 1. Gates – In progress (One has been done)
 2. Play bark (exposed concrete) (I believe you are dealing with this)(also exposed concrete can be covered with soil)
 3. Rotten wood (Can remove but need a site visit with John)
 4. Screws and bolts sticking out (Think these need covers fitting)
4. Churchward
 1. Bolts sticking out of swing barrier. (have tried to remove but may need cutting off its for a dog sign)
5. Pembroke Garden
 1. Twisted / unsecure chains (Repaired)
 2. Missing mats (We can replace the mat but will need to quote for soil to fill the hole and level the ground)
6. Alanbrooke
 1. Surfacing (Waiting on quote)
7. Inglesham
 1. Exposed concrete (Waiting on quote)
 2. Weeds (I believe weeds around the muga has been dealt with by john and neil)
 3. Split seat (one has been replaced)
 4. Bushes worn (3 out of 4 replace issues with 4th waiting on quote)
 5. Unsecure safety chain (Waiting on quote)
 6. Zip wire – Significant (contractor would only replace whole unit Mike can try and find someone to replace just damaged parts if you want him to)
8. Minety
 1. Uneven surface / gaps (Site visit with john)
 2. Weeds (small amount that can be pulled and strimmed)
 3. Exposed metal bracket (Needs taping I believe John taped up the one at st marks if he could do the same with this plus waiting on a quote)
9. Medlar
 1. Branch Removal (Site visit with john)
 2. Exposed concrete (play bark levels need raising which I believe you are doing and could cover over bits with soil)
 3. Tree trunks / holes (holes need filling with soil and 2 big trunks left by whoever cut the tree down possibly SBC)
 4. Exposed metal and bushes worn (Waiting on quote)
 5. Worn chains (Waiting on quote)
 6. Damaged seat (Waiting on quote)
 7. Missing panels (Top row of muga not sure if these were purposely removed or never installed)

8. Sharp edges (Site visit with john)
10. Chapel St
 1. Loose posts (Wooden football posts need removing and holes filling)
 2. Exposed concrete (On bench and around some equipment needs more play bark which I believe you are sorting)
 3. Weeds (lots of weeds gets sprayed and strimmed but has a lot and grows back quickly)
