Park & Open Space Policy

Adopted November 2024

Central Swindon North Parish Council Park & Open Space Policy

Central Swindon North Parish Council (CSNPC) acknowledges the importance of its Parks and Open Spaces. The impact these spaces have on the quality of life of its local residents, along with the positive benefits they offer. CSNPC recognises its responsibilities to not only maintain, but improve, where possible, the condition of its Parks and Open Spaces for their long term enjoyment for all.

Aims

- To develop, implement and maintain a sustainable Parks and Open Space Management Plan.
- To review barriers to enjoyment and ensure, as practicably possible, that Parks & Open Spaces are accessible for all.
- To ensure environmentally minded techniques / processes are embedded throughout service delivery.
- To promote the importance and value of these environments, and their contribution to quality of life for our community.

To achieve this Central Swindon North Parish Council will:

1. Consult with Members, Contractors, Professional Bodies, National Award Schemes and Residents when drafting and reviewing its management plan.
2. Adopt relevant industry standards.
3. Meet all relevant environmental legislation and regulations.
4. Make reference to other relevant CSNPC policies. Such as its Environmental Policy.
5. Keep up to date with changes in policy and legislation.
6. Engage with Community Groups where appropriate.
