EP107	AG6 Moredon Meadow Access (To Note) The Clerk informed the committee of the license that permits the Parish to access Moredon Meadows from the old Moredon Power Station. (the license was granted free of any payment). We need to give as much notice as possible ideally two days C Rummings will then get up to four days access on right of easement so he can use the old Power Station Road, the agreement allows up to three tractors to access the land North of the old Power Station which enables us to bale the meadows. The hay then goes to Lydiard, which is a really good recycling operation, something that Cllr Exell put in place about three or four years ago. The agreement is now finalised Cllr Yeowell brought up the baling of Raybrook Meadow. The Clerk stated that we were unable to do that in the area because of the disruption that the tractors would cause on the highways, so until another solution is found we cannot bale Raybrook Meadows, we will continue to work on this. RESOLVED – NOTED BY THE COMMITTEE.	
EP108	AG7 CIL payment for April-September 2023 The Parish received a CIL payment of £4,448.00. The Clerk has emailed Sarah Screen for an update on where the money has come from. It will then be down to the relevant ward members to decide what they would like it spent on. That would then go to the committee to approve or not,
