

Community Development meeting 05/02/25

Grant Officer report – Jan 2025

Applications -

Fund	Recipient	Programme	Date	Amount	Notes
Application					
GWR Community fund	Swindon Cycle campaign	12 Dr Bike/Travel awareness events in the vicinity of Swindon station to repair/security tag bikes and to inform attendees about Active Travel opportunities (March 2025 - Feb 2026). 200 Participants 6 Adult Bikeability courses (48 participants) which will move those who have completed Learn to ride/guided rides through to learning skills on the road/cycle network including finding their way to the Railway station and beyond. Running a direct marketing campaign to encourage take up from those within the catchment area. Waymark the route to/from Swindon Railway Station to Moredon Cycling Hub. The Hub is a big catalyst to encourage cycling in Swindon now and we would want to ensure that people travelling by train can find their way there and back. Producing information on routes to the Station and working with GWR in Swindon and the Borough Travel awareness officer to provide location specific information. Creating a bespoke integrated Swindon Bike-Rail journeys information booklet from Swindon to give to people at the events, to include within the Bikeability courses	30/1/25	£14440	We had applied twice before so applied through the voluntary sector. Worked with Becky, Clare Fleming (Travel officer at SBC) This creates a more direct link between people learning at Moredon and having confidence to go further afield by bike.
British Cycling Aspiration fund	CSNPC	Uniform for Volunteers	31/1/25	£250	
Pending					
Salix Phase 4 Decarbonisation	CSNP	Heat Decarbonisation scheme for 4 community centres buildings	22/11/24	£295,000	Will require £134,218 match funding
