

Youth and Community Report.

Summer Holiday Summary

Over the summer we ran multiple sessions across the Parish, in the areas of St. Mark's, the Moredon Sporting Hub, the Parkside Hub, The Circle and Pinetree's Community Centre.

On average, we had about 10 children and young people attending across the sessions- with some sessions seeing up to 20 young people attend. Across the week we would average around 100 young people, from as young as 8 to as old as 18.

We provided several activities across all the sessions, such as games, sports and arts and crafts, as well as some one-off activities, like an active water fight at the Moredon Sporting Hub, which was ideal for a hot, sunny day.

We also provided free trips to Laser Quest for 9 of our regular Youthie attendees and a day trip to Lydiard Park for the 8 children and their parents of the SEN Youth Group. We also arranged a BBQ and Games Day at the Parkside Hub, which offered a free BBQ, face painting and games for everyone attending. Around 30 young people attended this very hot day, as well as several families from the local community.

This was our first year of running youth sessions across all these Parish buildings, and we were pleased to be able to offer so many safe spaces for young people and children to come and spend time during the holidays. We saw lots of returning faces throughout the holidays, which will hopefully continue into September when we start up regular sessions.

Pride of the Parish

Nominations to stay the same, which are

- Young person of the year
- Community Group
- Volunteer
- Carer of the year

Location for pride of the parish

- Moredon Sporting hub
- Moredon Community centre
- JMH
- Pinetree's

Date selected Monday February 16th . Timings from 18:00-20:00.
