

Youth and Community Report.

YIF Conference

I recently attended the YIF Conference in Birmingham. It was a great event which gave me and my colleague a massive insight into youth work delivery, funding opportunities, and free training programmes for youth workers.

Firework Display (Penhill Park)

We have our free Firework display on Wednesday 5th November at Penhill Park we have a range of stalls, funfair, children's entertainers and a live firework display.

Lottery Funding (Parkside Hub)

We have just received a grant from the national lottery for £19,936 to launch a neuro diverse programme for children and young people at Parkside hub. The funding covers the development of the back room, sensory lighting and staffing hours.

Youth Work Delivery

Youth work programmes are up and running after the summer half term. We have been focusing on Halloween with arts and crafts sessions. We also have Owens world coming in to do a knife crime awareness talk

We are delivering 10 sessions across the week

- Parkside hub averaging 15 young people per session
- MSH averaging 10 young people per session
- Pinetrees averaging 25 young people per session
