FC541	Public Question Time & Correspondence None	
FC542	Police Commissioner PCC P Wilkinson presented an update on Wiltshire Policing. PCC P Wilkinson explained that funding for Wiltshire is lower than other areas, but they have achieved good results over the last year. Outside pressures like fuel costs have added pressure, but due to good management of funds Wiltshire Police have successfully navigated this challenge. The current Government is making changes to boundaries, prisons and sentencing which are having an impact on expenditure. Wiltshire Police hope this will be resolved with extra funding from various Government sources. Cllr K Small explained that the strategic authorities will not replace the authorities already there but will just be an additional level of management. Cllr J Ballman mentioned the increased cost of fuel and how it has increased and asked if this could impact on the number of patrols. PCC P Wilkinson responded no. Due to prudent financial management there are some reserves available to cover the extra costs, but if funding is not increased then next year it could have an effect. Cllr J Rodrigues enquired if further funding was achieved what is the vision. PCC P Wilkinson explained that extra funding would be spent on putting more police on patrol interacting with the community and drones. Most importantly talking to residents and asking what they would like to see more of. Cllr P Paul asked about the mobile stations and how often they are deployed in Swindon.	

	PCC P Wilkinson explained that they have the statistics and can pass that on after the meeting. PC S Bernside presented an update on local initiatives and arrests recently. RESOLVED to NOTE update.

FC550	St Marks Tennis Court Refurbishment Funding Shortfall	

Mr A Cripps presented an update from a written report. See Appendix 2. Recommendations • 8.1. Recommend to Full Council that the Parish directly commissions refurbishment works at St Marks on behalf of the Trust for courts 1-7 and repainting works for courts 8-10 to be delivered in FY27/28 to achieve cost efficiencies through the Council's eligibility for VAT recovery. • 8.2. Recommend to Full Council that a proportion of any income derived from the proposed introduction of managed carparking at St Marks Recreation Ground be allocated annually to the Trust's St Marks Tennis Centre Sinking Fund. • 8.3. Recommend that Full Council grant an in-principle agreement to provide a loan of up to £40,000 to the Trust in FY27/28. This agreement is strictly subject to a final viability assessment, confirmation of the exact loan requirement, and a formal Council resolution. The funds to be earmarked exclusively for the refurbishment and repainting program as detailed in this report. • 8.3.1. Loan repayments to be made over a 5-year term commencing in FY28/29. • 8.3.2. Full loan terms and conditions and final amount to be agreed by Council subject to formal agreement reached between Council and the Trust during FY26/27 and final confirmation of the cost of scheduled works in FY27/28 following receipt of tenders for the works by the Trust. Cllr J Ballman presented a verbal update on the history of St Marks Tennis Courts and what has been provided before. Councillors discussed the requests. Cllr K Small proposed that the loan be approved in principle with any interest charged be enough to cover what the Parish would lose as it would need to come from General Reserve. That the loan repayments begin the month after it is provided, not in 27/28 and that a portion of the Car Parking income be ringfenced to support the Tennis Court refurbishment. Cllr P Exell explained that the Car Parking income was originally approved to be majority towards car park repairs

	and maintenance and a smaller portion towards work in St Marks and proposed a 50/50 or 70/30 split. Cllr K Small proposed approving the recommendations within the report in principle, with interest rates to cover lost interest by the Parish and repayment to start in the year of receipt over five years. A report to presented with financial implications to a future Finance & General Purposes Committee (FGP) meeting and the Car parking income at St Marks to be split 50% to the Car Park sink fund, 25% to works at St Marks and 25% to the LLT for Tennis Court repairs for five years, to revert to the Car Park Sink fund after the five year period. RESOLVED to APPROVE recommendations with adjustments proposed by Cllr K Small.
